## Sri. Venkatesh & Smt. Pallavi Bhaskara

It is said that, Hanuma is found where Rama namam is chanted. 5 years ago, the blessings we received during Sita Rama Kalyanam continued with Hanuma knocking on our door on the divine & auspicious Vijaya Dasami day. ఆయన రాక తో మా ఇల్లు పావనం, మా జన్మ ధన్యం. We seek blessings from Shri Rama and thank guruvu gaaru for performing the pooja. Our best wishes to everyone in the group and may everyone receive Shri Rama Krupa!

Jai Sri Ram 🙏

I honestly don't know how to describe or how to start ? I don't have words to describe this experience, it is very special and can't be expressed through words, 9th Nov was one of the most beautiful, memorable day. It is not easy to get these sort of Pooja's with our choice, glad Lord gave this opportunity to us It was vibrant feeling. Lord Hanuman, Rama Parivaram are still in front of my eyes. Our house, mind, soul, heart everything is filled with peace, confidence, thankfulness, divine and I have been pumped with courage and positive vibes after performing the pooja, listening to the respected Acharyaji words and all the mantras. We are very blessed and thanks to all the volunteers and entire JaiSriRam organization. My eyes were wet with happy tears looking at the most beautiful Rama Parivaram in Lord Rama Ratham (Van), I couldn't resist without seeing the lord again so voluntarily visited couple more houses on the pooja time. Thanks again to the entire team for giving us this divine experience :) Special thanks to Madhuri for her sincere volunteering and being humble. Jai Sri Ram 🙏

Guru Sri Padmanabha acharyulu garu performed Anjaneya pooja with a great detail and shared knowledge on sanathana dharmam. We are blessed to have Lord Anjaneya at our home. Not all the time we get an opportunity like this to perform pooja to utsav idols at our own place and share this with our friends and family. We are very happy to be able to perform this seva and many thanks to all the volunteers who made this happen for us. All volunteers are very humble and helpful all times. Jai Sriram Jai Hanuman— Sindhoora &Subbarami Reddy.Apex , North Carolina.

From the moment the Acharyaji arrived with Lord Sri Ram and Hanuman to our residence it just felt like the atmosphere outside and inside our body and mind changed to love, humbleness & thankfulness. It was just so mesmerizing that it is hard to explain in words. For the entire time it was just like we were living in the moment and nothing else other than the holy name of SriRam and Hanuman could pass our mind and heart. We are so thankful to Acharyaji /Madhuri Ji and family and our friends( who also happen to be our Deer Creek neighbors ) for all the love.

With divine blessings Sree Lord Hanuman ji visited our home to bless us, our friends and family. We originally planned to have the pooja in Nov but had to cancel due to unforeseen circumstances. I was very disappointed but later learnt that someone else quickly booked that slot and invited Swami and it so happened to be the birthday of the lady of the house. This was a miracle but Swami decided to give us another opportunity by visiting Cary in Dec. Immensely fortunate to have Swami stay the night at our house. Words fail to describe the positive energy we experienced with Swami coming home. Our heartfelt thanks to Acharya gaaru for his dedication and in conducting the rituals with immense devotion. Saturday morning we got an opportunity to listen in the incredible dhanurmaasa pooja conducted by Acharya gaaru. Can't end the experience without thanking Madhuri gaaru and Prasad gaaru for all their effort in coordinating the event, support and guidance before and during the event. We are forever grateful for this opportunity and to experience divine blessings. We look forward to visiting the temple after its completion.
