A group of five people are posed for a photograph in front of a religious altar. On the far left stands a Hindu priest (Pundit) with a shaved head, wearing a red shawl over an orange dhoti, and a white tilak on his forehead. To his right is a family consisting of a man in a yellow kurta, a woman in a red and gold saree, a young man in a yellow kurta and glasses, and a young boy in a white kurta. They are all smiling and standing in front of an ornate altar. The altar features a central statue of Lord Venkateswara, heavily adorned with garlands and flowers. The statue is set within a golden frame. Above the statue is a green and gold decorative archway. The altar is further embellished with various flowers, including large yellow and pink ones, and small golden lamps. The background is a plain white wall.

We felt blessed with this opportunity. The divine Lord Hanuman coming to your house and blessing the whole family for their well wish is such a grateful opportunity and memory. We are really luck to have this happened at our home with such a great Guru garu who did a very nice pooja and wonderful explanation about Hanuman and Rama. This is very awesome and blessed.

Lord Srirama has a special place in our hearts. We are blessed to welcome Lord Hanuman and perform Puja. Our home is filled with Devine energy. We felt blissful during the Puja and loved hearing the Stories of Hanuman from Guruvugaru. We are fortunate to welcome Lord Srirama to our home and perform Kalyanam in 2017. Srirama sent his Dhuta Sri Hanuman again in 2023 to bless us. We are extremely grateful to Gurvugaru for dedication and devotion like Lord Hanuma and bringing divine energy from all the Divya Desams to us. We are Thankful for the seva volunteers for their endless hours of seva and making sure all the devotees have a great experience. Jai Sriram!!

We feel very blessed and happy to have had the unique opportunity of performing Anjaneya swami puja at our home. The puja was performed, by Guruvu garu, in such a meticulous way that we felt transported to Bhadrachala aalayam itself for the duration of the puja. We would like to thank the Guruvu garu, volunteers and the entire team behind this enormous initiative of building the Sri Rama temple. We feel honored to be a small part of this mission / seva which would have not been possible without Lord Sri Ram parivaram and Anjaneya swami blessings ! 🙏

“When we see lord in their abode, we shouldn’t be able to ask anything. That’s when you belong to him and him alone.” Very few times though it has happened involuntarily. Having seen Lord Ram and Maa Sita at the early hours of the morning, was such an experience. Grateful for Mahavir Vikram Bajrangi allowing me to carry his vigraham. The puja was a divine experience, from the Avahanam of lord till the Mangal Aarti.. I belonged to him and only him. Eternally grateful to Guruvugaru, for giving this opportunity to be a part of this divine journey he is on. Jai Sri Ram 🙏 Jai Hanuman

It has been a very divine experience of Sri Rama Parivaram visiting our house in June 2017 from Badrachalam after completing Abhishekams at 108 Divya desa punya theerthams. We were extremely fortunate to perform Sita Rama Kalyanam and Abhishekam to the same idols by Acharya garu at our place. We truly felt blessed again now in 2023 with Pawana suta Hanuma visiting our home as "Sri Anjaneya Rama dhutha Hanuma". Our humble pranams to Acharya garu and thankful to the entire seva team for facilitating such a divine opportunity to our family. We feel happy to be a part of the temple construction. It would not have been possible without Sri Rama Anugraham 🙏 Jai Sri Ram 🙏

Jai sriram! RamaDhootha Hanuman Ki Jai! 🙏 At any point of time in my life, when my mind fills with lot of questions, confusion haunting with why-why?! There comes a situation to hear RAMA KATHA— to look into myself and get answers on how to plan/handle. Now this time Hanuman himself came to our home through Gurugaru I got to hear about Short verse of Ramayan. Heard little history of RamaDasu who built Rama narayana temple in bhadrachalam. Same way gurugaru with great sankalpam to build the same temple for “RAMA parivaarAM” in USA is no less efforts than kancharla goppana. My RAMA filled heart says “Guruvugaru is RAMADASU of North America” Really a great opportunity to invite HIM to our home and performing pooja at the same place where we performed SRI RAMA KALYANAM back in 2017. Paadabhi vandanalalu to guruvugaru for performing this pooja at our home 🙏. Lastly I would thank all support of seva coordinator team..without YOU this process is not easier.. 🙏 JAI SRIRAM 🙏 JAI HANUMAN 🙏

JaiSriram,

Our morning starts by taking name of Lord Rama, Hanumantha. Dince childhood heard Ramayana stories and RamaNama Sankeerthana from grandfather, and able to follow right path by taking Divine's name. We felt very blessed to be able to perform RamaKalyanam on 2017 and Hanuman Puja 2023. On puja day when Guruvu garu mentioned first we will darshan and take blessings of RamaParivaram my heart filled with happiness able to see Lord again, eyes filled with tears of joy, from there everything happened with great energy, positive vibes, dasoham. We are blessed to be a small part of temple construction like Udutha bhakthi 🙏

We are very thankful to Guruvu garu for his restless efforts in performing pooja with same energy, also thankful to all seva coordinators for their continous efforts in making sure everything is planned and happening as per plan, helping devotees to get peaceful and divine experience of pooja 🙏

It was pleasure to have Sri Anjaneya Swamy Pooja performed at our home. The feeling of Sri Anjaneya Swamy himself walking into our home. I was unable do much of work with leg injuries, but yet I have invited many friends who could benefit hearing the slokh of Hanuman. To take care of all the work He has sent vanara sainyaamu in form of my friends to take care of all cooking, cleaning and setting up for hanumans welcome. with the blessings of Srirama Parivar and Acharya Garu. We are extremely lucky for performing this event with Hanuman utsav vigraham and seek Sita Rama parivaram blessings. While doing the puja it was pin drop silence only we could hear the echo of chantings of guru garu. We are extremely delighted the way Acharya Garu has performed Pooja. He has amazing energy levels with lot of dedication and commitment. We Thank all the volunteers for coordinating this event. Jai Sri Ram 🙏
