It was a divine surreal experience to welcome Lord Hanuman to our humble abode. We were blessed to have been visited by the Lord and my experience was nothing but electrifying. The moment I was given the opportunity to carry the Lord from the van outside, my entire body surged with excitement and only increased as I carried the idol and moved closer towards the resting pedestal inside the house. As I got closer and closer to the pedestal, my body started vibrating at an incredibly fast pace and that feeling stayed with me for more than couple of minutes (I have never had this type of feeling until that point of time). Worshiping the Lord and prostrating Him at our place was a dream come true. The pooja performed by Acharayaji helped us to meditate on Him, the entire time and we felt an incredible Peace and Mental satisfaction that one gets by visiting a temple. Our joy went no bounds when we were told that the Lord will be resting overnight in our house. It was past midnight when I went to bed thinking that I should wake up by early morning so that I could witness the Acharayji performing his morning Pooja. I was awakened by a divine song coming from the next room and for a moment I thought I overslept and missed the morning Pooja only to realize that it was 3.20 am in the morning and I could not identify the place where the song come from. I did not feel any tiredness for the rest of the day and getting the opportunity to participate in the Morning Pooja was another blessing. It was an amazing opportunity to listen to chanting of Thiruppavai by the Sevakas of the Temple Seva Group on the month of Margazhi . When the Lord had to leave our place, I felt that someone like a family member or close friend was leaving our place and hope that I will get an opportunity to welcome Him once again.

Our family is feeling so blessed that Gurugaru visited Charlotte and we got an opportunity to do the Sri Anjaneya Swamy Pooja at our home. This was a very special and blissful event for us and Gurugaru doing the Pooja was a divine experience. We are forever grateful to Gurugaru for the beautiful memories and pray for the success and completion of his sankalpam. All those who met Gurugaru for the first time said that they had not experienced a Pooja like this and really appreciated Gurugaru's explanation and stories of Sri Hanuman. Children as young as five were listening quietly to Gurugaru and were absorbed through the complete Pooja. Receiving the smaller Sri Anjaneya moorthy from Gurugaru was a very nice surprise. Our family and friends are very blessed to have experience the positive and divine vibrations from the Sri Anjaneya Swamy Pooja. We are very appreciative of Arunagaru, Narendragaru, and Vasugaru for all their help and support and the SEVA team behind the scenes for their efforts.

Jai Sri Ram 🙏🙏

We have been thinking how to explain about our bliss & divinity that we experienced on the day of pooja. we feel it is lord Rama's blessing to send his beloved Hanuman and respected Guruvu garu to our home. It's been an ineffable joy. It started when Lord Hanuman along with our respected Acharya ji knocked on our doors and it is once in a life time opportunity to open doors for Sri Rama parivaaram which left us in ecstasy. We felt all the positive vibrations when Guruvu guru started pooja and while chanting Badabanala stotram/Hanumath Kavacham. And Sri Padmanabhacharyulu garu our respected acharyaji is a very kind person, he allowed us to do guru paaduka pooja when we requested him. I am very fortunate and blessed that I got opportunity to do Hanuman seva for one day, it was an amazing experience.

We are very thankful and grateful to Aruna garu and Narendra garu, to let us know about this event and encouraged us to be a part of divine opportunity. Also we are very thankful to all the coordinators and seva volunteers who are behind the scenes made this event success in Charlotte.

**Jai SriRam ! We are very fortunate to have Hanuman (Utasava Murthy) in our home and able to perform Pooja under the guidance of Guruji. This is once in a life time experience , I had tears in my eyes looking at god Hanuman very closely during the Pooja. It's a divine feeling and every one should experience it. Our heartfelt thanks to Guruji for giving us the opportunity and his devotion and passion towards building Rama temple is priceless. We all should provide our helping hand , it may be minuscule (Udata sayam while building Ramasethu) but it will become huge with more number of helping hands. Thanks to volunteers in organizing this program and special thanks to Aruna garu for sharing the details about this opportunity. The Program is very organized by providing the details on each and every step.**

Sarvam Sri Raamaarpanamasthu, as the title says if we surrender everything on to the feet of the Lord Sri Rama, manasa vaacha karmana, HE guides you through out in every step of our life, which we have experienced ourselves after association with Guruvugaru Padmanaabhaacharyulu garu ever since from 2019. Guruvugaru has not only been in the path of Rama himself but has brought many people like us in the Rama maargam with Ramanugraham Many people have experienced Sundarakanda and Srimad Ramayanam in many ways in their lives with Ramanugraham. Wigh Guru Krupa, We experienced this when swayam Bhaktaanjaneya swamy Himself knocked our doors and stepped in to our abode after Sundarakanda Navaha parayana completion by me just before and brought Saakshaat Sri Rama parivaaram abundant krupa on to us in the form of Goda Ranganatha Kalyanam on the day of completion of Sampoorana Ramayana Parayanam by my husband which he has been doing since 2021 Sri Rama Navami. As Annamacharya in his keertana says, Idigaaka saubhaagyamidigaaka tapamu mari , idigaaka vaibhavambu ikanokati kaladaa , what a fortune it was to be blessed by the Kalyanam of the Goda Ranganatha at our abode which took everyone to the peaks of Bhakti that evening. As Guruvugaru always says wherever and whenever Lord Hanuman keeps His holy feet, everything gets purified and the devotees are instantaneously protected. Charlotte is really blessed to have our Guruvugaru performing Hanuman pujas. Devotees have been pouring in their heartfelt experiences and miracles they have experienced after the lord had chosen and visited their homes and accepted their pujas and Raamaarpanam.

Hanuman in sundarakanda says, He is like the arrow from Lord Rama's bow, who accepts the mission assigned to Him, accomplishes it successfully. He is constantly engaged in Rama kaaryam. Similarly the Victorious Hanuman is now engaged in the divine Rama kaaryam of bringing Bhadradi Seeta Rama Temple at Cumming, GA by accepting the Raamarpanam/ Donations by the blessed devotees towards the construction of the Sri Rama Temple and blessing them with being part of the divine sankalpam. We always feel our Guruvugaru Sri Padmanaabhacharyulu garu is the incarnation of Bhakta Ramadasu. Bhakta Ramadasu strived towards bringing the Sri Rama temple at Bhadrachalam. Similarly our Guruvugaru has been dedicatedly, devotedly and selflessly engaged in building the replica of Bhadrachala Sri Rama temple at Cumming , GA. May Lord Sri Rama bless guruvugaru and his family with abundant health and courage and fulfill his divine sankalpam of completion of the temple at the earliest for the welfare of all the people around the globe. My sincere obeisances to Guruvugaru. 🙏 It was my fortune to be part of this Rama kaaryam, as a coordinator of charlotte yatra along with Vasu garu and Anuradha garu. Thanks to all the seva volunteers behind the curtains helping us in making this a memorable yatra.

The Power of intention of welcoming Hanuman to home itself is so immense that we witnessed few miracles as if Hanuman is listening to our thoughts . The love and devotion to Hanuman had increased ten fold after hosting and attending pooja . Throughout the entire pooja , we were transmitted to a different world and were mesmerized in Hanuman's devotion to Rama . Thanks to Gurugaru for tapping innate spiritual aspect in devotees' hearts . The whole house was revitalized and reverberated with Guru garu's Hanuman kavacham chanting. On the whole , it was an enchanting experience to host pooja . Thanks for the great opportunity and salutations to Guru garu and volunteers for making this happen.
